

Autumn 2025 Season

Proposed renovation works on the Plain Street fields for the months of March/April from Rnd 4 to Rnd 10 means that all games will be played at Riverside Fields. This will necessitate changes to game times and field allocations. Monday games during this time will be played over 3 time slots to fit across the available 6 lit fields so won't be effected greatly. Mixed games will be as per the table below moving to a 545pm kick off for 5 weeks on Wednesday only as we lose daylight hours. We will change the Riverside Field Map to reflect numbers 1 – 13. NOTE: There will only be 1 washout Rnd allowed in mixed at this stage.
